

MERCHANT SERVICES

We Help Merchants Get Paid Faster, Safer, Smarter

The i3 Verticals Difference

i3 Verticals is a family of payment software products and services serving a wide variety of industries, from hospitality and retail to public sector and education. Our human-powered, technology-driven model delivers integrated, customized solutions to thousands of organizations nationwide.

Together we securely process more than \$14.4 billion each year. As leaders in the payment processing industry, we pride ourselves on bringing together the best technology and people in a variety of verticals.

Let's talk about payment solutions that help you grow profits.
